From The East

Brethren,

As you probably know, your Lodge has been busy!

We've been serving breakfast the last Saturday of each month, and this has become a popular fund-raiser already.

We held our Lodge Dedication and Cornerstone ceremony, and a beautiful time was had by all.

We served Chicken BBQ at the county fair, and have done other things to help and to raise our visibility in the community.

I don't have the words to express my personal gratitude to the committed individuals who have made all these things happen, but they know who they are.

What can you do?

Your Lodge needs you as well. We're doing the best we can, but with help we could do so much more.

What can you do to help?

It has been said that like many things in life, you will get out of Masonry as much as you put into it. I can personally attest that this is true – there's a sense of satisfaction that comes with a job well done. There's a sense of pride that I have contributed to the success of this worthy Brotherhood. Best of all, there's the true companionship that comes from laboring with my Brothers for a worthy cause.

If you don't have these feelings for your Lodge, then do something about it. Come and join us. Do something.

We need your help.

Sincerely,

D. Alan Cheek W.M.
